

CRISTIAN RAMON MARTINEZ GARCIA

SOFTWARE DEVELOPER

cristianramon.co.uk

IT SKILLS

SOFTWARE DEVELOPMENT SKILLS

Keen to learn, enjoy
solving problems, good
dealing with people,
logical thinking.
Passionate about machine
learning and Python.

CORE PROGRAMMING LANGUAGES

- Python.
- Angular.
- C#.
- SQL Server.
- ASP.NET MVC.
- HTML5, CSS,
JavaScript.

PROFILE

I have an electronic engineering background which is the closest background to IT. Always passionate about technology especially with computers. Thanks to my assertiveness course I learnt how to behave correctly and politely in any situation at work and indeed with customers.

Having Finished my career in JUST IT I quite improved my knowledge and skills in the work environment as software/web developer.
